

Alice I. Alsberghe, ASA, EA, MAAA

Consulting Actuary
Cheiron, Inc.
Solana Beach, California

Alice Alsberghe has more than 18 years of experience working with multiemployer and public pension plans and OPEB plans.

Her experience includes developing plan funding and benefits policies, risk management, preparing and reviewing actuarial valuations, experience studies, accounting requirements, and government filings. She has also worked on numerous special studies, including plan designs, purchase of service credit calculations, and cost analyses.

She enjoys sharing her actuarial expertise at seminars and conferences. Her recent speaking engagements include the annual conferences of the International Foundation of Employee Benefit Plans and of the Public Pension Financial Forum. She is often invited as an actuarial instructor by the California state organization CALAPRS. She joined Cheiron in December 2008.

She is an Associate of the Society of Actuaries, an Enrolled Actuary under ERISA, and a Member of the American Academy of Actuaries. She graduated with a Bachelor of Science in Management Science and minors in Chemistry and French from the University of California, San Diego.
