

Dr. Tyler Amell, PhD, MSc, BSc

Chief Health and Strategy Officer MediKeeper, Inc.

Faculty and Registrar

Pacific Coast University for Workplace Health Sciences

Calgary, Alberta

Dr. Tyler Amell is an internationally recognized thought leader and keynote speaker on the topic of workplace health and productivity. When he is not speaking at events around the world, he is a trusted advisor to organizations, including insurers, healthcare service providers, employers, unions, and investment firms on strategic and integrated workplace health and productivity, healthy retirement, work disability, technology and evidence-informed practice.

Dr. Amell is a faculty member Registrar at Pacific Coast University for Workplace Health Sciences and Lead for Work and the Workplace. He has given keynote addresses, seminars, plenary presentations and worker education sessions at over 425 events around the world. He is also Chief Health and Strategy Officer at MediKeeper, a San Diego-based wellness technology company.

Dr. Amell serves on the Board of Directors of the Wellness Alliance as well as their Advisory Council. In the past, he has served on the executive boards of the Work Wellness Institute (WWI), National Wellness Institute (NWI), the Integrated Benefits Institute (IBI) and the Canadian Association for Research on Work and Health (CARWH).

He is a past CRO/CHO at a wellness technology company, a Partner/Vice President at a global HR consulting & technology company, CEO of a HR technology company, and Vice President of a large Healthcare, Surgical, Medical Assessment and Rehabilitation company. Dr. Amell holds a PhD in Rehabilitation Medicine, a MSc in Rehabilitation Science, and a BSc in Health Sciences.
