

Cameron S. Betts, MHSA

Global Benefits Consultant
Health Tech—Subject Matter Expert
New York, New York

Cameron, a seasoned employer healthcare professional with over two decades of experience, and served as Kindbody's Executive Vice President of Sales and Channel Partnerships. He possesses extensive knowledge and experience in family fertility and inclusive total rewards programs for employees. Leveraging his consulting experience with global firms, his role as head of product development for a human performance company, and his contributions to innovation within a national medical carrier, Mr. Betts is able to effectively understand the opportunities and needs of an organization, its leadership, and its individual members and families. He holds a Master's degree in Health Services Administration from the University of Kansas School of Medicine and resides in Los Angeles.
