

**Nathan Bryce, CAIA, CFA**

**Vice President and Director,  
Client Relationship Manager  
TD Asset Management Inc.  
Toronto, Ontario**

Nathan Bryce is presently vice president and director of TD Asset Management Inc. (TDAM). His primary responsibility is to ensure that TDAM fully understands the current and evolving needs of its institutional client base, and he takes a proactive approach to providing investment solutions and operational excellence. Bryce began his career in the investment industry with TDAM and has held increasingly senior positions across a diverse range of roles, which has provided him with a unique perspective on the investment industry and capital markets. He received a bachelor of business administration degree from the Goodman School of Business at Brock University. Bryce also holds both the chartered financial analyst and the chartered alternative investment analyst designations.
