

Amanda Cronk, CPA

Audit Principal
Plante Moran
Flint, Michigan

Amanda Cronk is an audit principal at Plante Moran with over 18 years of experience providing assurance and consulting services for multiemployer Taft-Hartley and public plans. She focuses on defined contribution, defined benefit, and health and welfare plans, with a specialized focus on health and welfare plans. She also has extensive experience with accounting and auditing harder-to-value investments. While these types of investments offer specific challenges, her experience allows for effective and efficient solutions to these challenges. Amanda is a certified public accountant (CPA) and obtained her bachelor's degree from Saginaw Valley State University.
