

Darrin E. Golden

Executive Secretary-Treasurer/Executive Director
NECA/IBEW Family of Funds
Rockville, Maryland

Darrin E. Golden currently serves as the executive secretary-treasurer/executive director for the NECA/IBEW Family of Funds. The Family of Funds includes the National Electrical Benefit Fund (NEBF), the National Electrical Annuity Plan (NEAP), the National Electrical Individual Benefit (NEIB), the National Electrical 401(k) Plan (NEFP), and the Family Medical Care Plan (FCMP). In his capacity as Executive Director of the FMCP, Darrin is responsible for administering a large national Taft-Hartley health and welfare plan that covers over 53,000 electrical workers and their families. With 30 years in the electrical industry, he began his career in 1991 as an electrical apprentice, completing a five-year apprenticeship and earning his classification as a journeyman wireman. In addition to his professional credentials, he holds a master's degree in public administration and a bachelor of arts degree with a double major in labor history and business administration. In addition to his academic accomplishments, he is a proud veteran of the United States Navy. He served honorably at home and abroad as a naval aircrewman in the U.S. Navy and U.S. Naval Reserves for eight years. Over a 33-year career with the IBEW, Darrin has faithfully served the electrical industry locally and nationally in various capacities, including local union officer, trustee, and staff member.
