

Vincent M. Graziano

Senior Vice President and Health Benefits Manager
Segal
Boston, Massachusetts

Vinny has over 35 years of experience in employee benefits. He advises clients on a full range of plans, including medical, prescription drug, dental, vision, life, and disability. He specializes in analyzing financial and claims data, developing budget projections, designing plans, pricing changes, and evaluating vendor proposals and performance.

A recognized expert in dental and prescription drug benefits, Vinny leads procurements, designs plans for regional and national clients, and serves as a national subject matter expert in these areas.

In addition to client work, Vinny leads and mentors the New England Health Practice team and collaborates across the firm to enhance the quality of services delivered to clients.

Vinny holds a BS in Physics and Astronomy from SUNY Stony Brook. He is a licensed Life, Accident and Health Producer.
