

Mark Mervyn, FCIA, FSA

Partner, Wealth Solutions

Aon

Vancouver, British Columbia

Mark is a partner and qualified actuary who leads Aon's Vancouver Wealth Solutions practice and provides consulting services to his clients in British Columbia and across North America on pensions and workers' compensation benefits. He joined Aon in 2001 and is dedicated to improving the pension industry and to creating more inclusive retirement outcomes for Canadians. Mark applies his expertise on plan funding, risk management, design, inclusion and diversity, financial reporting, experience studies, communication and administration. He earned his bachelor of science degree in actuarial science from Simon Fraser University.
