

Owen Ralph, CEBS, MTMS

Director, Client Solutions

The PBAS Group

St. John's, Newfoundland and Labrador

As director of client solutions, Owen Ralph is responsible for accelerating the adoption of technology solutions across PBAS's client base and streamlining processes, procedures and workflows. He joined The PBAS Group in 2001, has worked in many roles in the company, and has managed student benefits for the past 15 years. Owen has extensive experience and knowledge in single employer clients, multi-employer benefit plans, and self-funded and insured benefits. He is licensed, is a Certified Employee Benefit Specialist® (CEBS®) and has earned the Master of Trust Management Standards (MTMS®) credential.
